Clinical psychologist David Hawkins offers a Christian perspective on healthy relationships and the pitfalls of being a people pleaser. He answers such important questions as...

- Where does Christian service end and codependency begin?
- What emotional needs lead to codependency, and how can those needs be met in healthier ways?
- How can parents help their children avoid codependent behavior?

Readers will resonate with the real-life illustrations of people who no longer know what they think, want, or feel. Suggestions for redirecting unhealthy relationships empower readers to rediscover their own value and personal contribution.
