**Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This is the product access code card for MasteringA&P with Pearson eText and does not include the actual bound book.**

With the **Eighth Edition** of the top-selling **Human Anatomy & Physiology** text, trusted authors Elaine N. Marieb and Katja Hoehn have produced the most accessible, comprehensive, up-to-date, and visually stunning anatomy & physiology textbook on the market. Marieb draws on her career as an A&P professor and her experience as a part-time nursing student, while Hoehn relies on her medical education and classroom experience to explain concepts and processes in a meaningful and memorable way.

The most significant revision to date, the Eighth Edition makes it easier for students to learn key concepts in A&P. The new edition features a whole new art program that is not only more visually dynamic and vibrant than in previous editions but is also much more pedagogically effective for today's students, including new Focus figures, which guide students through the toughest concepts in A&P. The text has been edited to make it easier than ever to study from and navigate, with integrated objectives, new concept check questions, and a new design program. The robust media package provides students with indispensable practice tools, tutorials, and self-assessments to help them succeed in their A&P lecture and lab course.

This package includes:

- **Student Access Code Card for MasteringA&P with Pearson eText for Human Anatomy & Physiology, Eighth Edition**
