Vivien Goldman

Follow the Sacred Journey to Create One of the Lasting Musical Masterpieces of Our Time

Bob Marley is one of our most important and influential artists. Recorded in London after an assassination attempt on his life sent Marley into exile from Jamaica, *Exodus* is the most lasting testament to his social conscience. Named by *Time* magazine as “Album of the Century,” *Exodus* is reggae superstar Bob Marley’s masterpiece of spiritual exploration.

Vivien Goldman was the first journalist to introduce mass white audiences to the Rasta sounds of Bob Marley. Throughout the late 1970s, Goldman was a fly on the wall as she watched reggae grow and evolve, and charted the careers of many of its superstars, especially Bob Marley. So close was Vivien to Bob and the Wailers that she was a guest at his Kingston home just days before gunmen came in a rush to kill “The Skip.” Now, in *The Book of Exodus*, Goldman chronicles the making of this album, from its conception in Jamaica to the raucous but intense all-night studio sessions in London.

But *The Book of Exodus* is so much more than a making-of-a-record story. This remarkable book takes us through the history of Jamaican music, Marley’s own personal journey from the Trench Town ghetto to his status as global superstar, as well as Marley’s deep spiritual practice of Rastafari and the roots of this religion. Goldman also traces the biblical themes of the Exodus story, and its practical relevance to us today, through various other art forms, leading up to and culminating with *Exodus*.

Never before has there been such an intimate, first-hand portrait of Marley’s spirituality, his political involvement, and his life in exile in London, leading up to his triumphant return to the stage in Jamaica at the Peace Concert of 1978.

Here is an unforgettable portrait of Bob Marley and an acutely perceptive appreciation of his musical and spiritual legacy.
