## **THE ROAD TO SANCTIFICATION** Margaret Radisich Sleasman

The book is a candid, but scriptural study of the words "holy", "separate", and "sanctify". Written for the searching heart and easily understood by people of all educational levels. The author brings out her own failings and discouragements in her walk with the Lord to demonstrate the differences between growing and sanctification, the "old man" and the "new man". The study shows how being holy, separate, and sanctified is not a process of growth or something that we do for ourselves, but a completed work that the Lord did at one point in time (at the cross) for each of us who accept Him as our Savior. "An exciting study that you will not want to put down."
