*"My name is Tucker Max, and I am an asshole."* With these words Tucker Max launched a classic humor bestseller that has sold more than two million copies in the US and hundreds of thousands more throughout the world. I HOPE THEY SERVE BEER IN HELL was on *The New York Times* bestseller list for five years including the #1 position.

The new edition, released in September 2015, includes a new 6-page Afterword that will delight Tucker's fans. In it he describes his life in the 10 years since the book was first published, including his marriage and becoming a dad. His anecdotes are, as always, funny and revealing, told in the unique voice that millions of readers have come to love.

Actual reader feedback:

"I am completely baffled as to how you can congratulate yourself for being a womanizer and a raging drunk, or think anyone cares about an idiot like you. Do you really think that exploiting the insecurities of others while getting wasted is a legitimate thing to offer?"

"Thank you, thank you, thank you--for sharing with us your wonderful tales of drunken revelry, for teaching me what it means to be a man, for just existing so I know that there is another option; I too can say 'screw the system' and be myself and have fun. My life truly began when I finished reading your stories. Now, when faced with a quandary about what course of action I should take, I just ask myself, 'What Would Tucker Do?'--and I do it, and I am a better man for it."

"I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist."

"I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

"You are the coolest person I can even imagine existing. If you slept with my girlfriend, it'd make me love her more."
