It's a Kind of a Funny Thing Part 1 Stephanie Bridgeman
PART 1 OF 2 (FULL COLOR VERSION):

It's a Kind of a Funny Thing ~that happened
On the road to... (Addiction to Transplant to Recovery)

What happens when a Wimpy Caregiver meets
a Broken-Down-Blues-Drummer?
~Funny things happen — and all hell breaks loose
— on the way... to his liver transplant!

It all started when Paul's world collided with Nancy's.
She was a happily married, stay-at-home-gardener,
who spent most days walking on the beach with her husband,
spending time with her family, and cultivating rare Plumeria-plant hybrids.

Little did she know that she would end up taking care of
this brash Bronx blues-drummer — who was constantly knocking at death's door.

Nancy's happy routine would be turned upside-down,
after unwittingly taking a "temporary" job as an unpaid caregiver to “Everybody’s Favorite-Bottom-Feeder-
Blues-Drummer”.

With daily delivery of his near-death-dramas — Nancy’s life
would never be the same again...

Chapter 1: Introduction — In The Out door

There he was — one foot in, and one foot out
of the bathroom door, mumbling incoherently,
“LET ME IN.” Only problem was... he was neither locked in, nor out — and
he was missing his pants.

Yep. He was half-naked with his vital-parts hanging out...
while his vital-signs were slipping away.

My life was like a "Five Alarm Fire"...
Making matters worse, I had to put out Paul’s random “fires” at an ever-increasing frequency!

I was always off-balance, going to-and-fro — like a Chinese Fire Drill — frantically running around in
circles.

Yep. It was a care-giver’s worst nightmare...
Paul was jabbering — frothing away, with white powder pill-crumbs caking his mouth.

Then Paul's mouth stopped moving... Paul went limp and lapsed into unconsciousness. I thought to myself:
"He's really done it this time — surely he's done for!!"

There was no time to dress him — or wipe his face clean...

The paramedic was barking orders, as I offered him a pair of sweat pants:

"Sorry Lady! Move out of the way!! We have to get him to the hospital, before we lose him!!"

I watched helplessly, while they carried him away,
as the ambulance sped away.

The blaring sirens pierced the silence of my mind — tearing to shreds any sanity I had left.

Yep. All of the neighbors were gawking — not knowing who was being loaded up — or why.

With no time to spare — I ran to get the bottle of the pills
that he'd overdosed on — then high-tailed after the ambulance.

(Paul lived life on the edge — would he fall off the precipice?)
