## **Managing E-Learning Strategies: Design, Delivery, Implementation and Evaluation** Badrul Khan

"Managing E-Learning Strategies: Design, Delivery, Implementation and Evaluation" provides readers with a broad understanding of the emerging field of e-learning and also advises readers on the issues that are critical to the success of a meaningful e-learning environment. It walks you through the various factors critical to developing, evaluating and implementing e-learning. Throughout the book critical e-learning factors are presented as questions that readers can assess themselves when planning, designing, evaluating and implementing e-learning modules, courses and programs. "Managing E-Learning Strategies: Design, Delivery, Implementation and Evaluation" not only introduces the important issues in e-learning, but can be used as a workbook to design, develop and implement e-learning in academic, corporate, government and other settings.
