The Catcher in the Rye: New Essays

The Catcher in the Rye: New Essays

J. D. Salinger's novel, *The Catcher in the Rye* celebrated its fiftieth anniversary of publication in 2001. *The Catcher in the Rye: New Essays* presents a variety of new approaches to this extremely popular and intensely influential novel, ranging from the examination of the intertextual relationship between *The Catcher in the Rye* and Cormac McCarthy's *All the Pretty Horses*, to the evaluation of Salinger's mythic place in American film and popular culture, to the interrogation of what it means for a reader to claim that a novel such as *The Catcher in the Rye* has changed his or her life. These essays provide new commentary and new insights, and demonstrate the continuing relevance of Salinger, *The Catcher in the Rye*, and Holden Caulfield to American culture and literature and, in turn, to American cultural and literary studies.
