Legal and Ethical Issues in Nursing (5th Edition) Ginny Wacker Guido JD MSN RN

The fifth edition of *Legal and Ethical Issues in Nursing* is the essential book that combines legal and ethical knowledge for students and practicing nurses in one text. It reflects the continuing influence that the law, legal issues, and the field of ethics have on the professional practice of nursing. Readers familiar with earlier editions will recognize that much of the content in this book is new or updated to mirror changes in the practice of professional nursing. This edition also combines the field of ethics with legal issues, as these two aspects of professional nursing practice cannot truly be separated. This is a perfect resource for graduate nursing students or professional nurses needing an additional reference.
