Slow Cooker - Easy-To-Follow Healthy & Delicious Slow Cooker Recipes

With our busy lifestyles, it is really hard to find time to cook. What makes it even harder to cook is that now more than ever, we have a wide variety of ready food options at our disposal. You can easily buy precooked meals at the supermarket and all you need to do is simply put the food in the microwave and you have your dinner or lunch.

The downside of this is that most of these foods are highly processed and lack in essential nutrients meaning that you will not be getting the necessary nutrients for a healthier you. Slow cooking is thus a great alternative if you are one busy person.

The great thing with slow cooking is that in most cases, you simply combine all the ingredients in a slow cooker, set a suitable setting and your food will be ready. This means you don't have to spend a lot of time to keep on checking on the food. Thus, you can even cook when you go to sleep or even when you are off to work and you will wake up or come home to a hot nicely cooked meal; how cool is that? However, you can only enjoy slow cooking if you have a wide variety of recipes.

This book has over 25 recipes that you can start preparing today. The recipes range from chicken and beef recipes to vegetable and bean recipes. This wide range of recipes will ensure that you have a little of every food group. Thus, you can be certain that you will not get bored with the various amazing recipes in this book.
