An Uncommon History of Common Things

Bethanne Patrick, John Thompson

An Uncommon History of Common Things Bethanne Patrick, John Thompson

Sometime about 30,000 years ago, somebody stuck a sharp rock into a split stick—and presto! The axe was born. Our inquisitive species just loves tinkering, testing, and pushing the limits, and this delightfully different book is a freewheeling reference to hundreds of customs, notions, and inventions that reflect human ingenuity throughout history.

From hand tools to holidays to weapons to washing machines, *An Uncommon History of Common Things* features hundreds of colorful illustrations, timelines, sidebars, and more as it explores just about every subject under the sun. Who knew that indoor plumbing has been around for 4,600 years, but punctuation, capital letters, and the handy spaces between written words only date back to the Dark Ages? Or that ancient soldiers baked a kind of pizza on their shields—when they weren't busy flying kites to frighten their foes?

Every page of this quirky compendium catalogs something fascinating, surprising, or serendipitous. A lively, incomparably browsable read for history buffs, pop culture lovers, and anyone who relishes the odd and extraordinary details hidden in the everyday, it will inform, amuse, astonish—and alter the way you think about the clever creatures we call humans.

From reader reviews:

Terri Hatfield:

What do you think about book? It is just for students since they are still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has different personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book An Uncommon History of Common Things. All type of book is it possible to see on many solutions. You can look for the internet methods or other social media.

Angeline Allison:

What do you regarding book? It is not important to you? Or just adding material when you want something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this An Uncommon History of Common Things to read.

Marilyn Calhoun:

Is it anyone who having spare time and then spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This An Uncommon History of Common Things can be the response, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Robert Journey:

As we know that book is very important thing to add our knowledge for everything. By a e-book we can know everything we want. A book is a list of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This book An Uncommon History of Common Things was filled in relation to science. Spend your free time to add your knowledge about your technology competence. Some people has different feel when they reading a new book. If you know how big selling point of a book, you can sense enjoy to read a e-book. In the modern era like right now, many ways to get book you wanted.
