The jogger's throat was cut, leaving a pool of blood on the pedestrian path. Molly Malone could tell by the neon yellow running shoe dangling off the end of the stretcher that the body belonged to her friend Natasha Jorgenson.

A junior congressional staffer, Natasha was on her way to meet with Molly to hand over important research on an international banking bill. Natasha was the third person who knew about the research to die. Molly fears she won't be the last.

As she and her colleagues are targeted by break-ins, wiretaps, and harassment, Molly discovers that powerful players are working out a plan to change the course of history . . . and they will stop at nothing to make sure they succeed.

Crackling with tension and suspense, the latest Molly Malone mystery from New York Times bestselling author Maggie Sefton is a masterpiece of intrigue that will leave you breathless.
