Health Care in the New Millennium: Vision, Values, and Leadership Ian Morrison

Health Care in the New Millennium is written by futurist Ian Morrison-author of *The Second Curve and Future Tense* and one of our nation's foremost health care analysts. In this provocative book, Morrison gives health care executives, doctors, and nurses a guided tour of what's in store for health care in the coming years and explains . . .

- Why our one-trillion dollar health care industry has so many unhappy stakeholders
- Why investor-owned health systems are failing
- Why so few market-based reforms work
- Why health care leaders need new visions of what is possible for the future
