**Rule #1: There are no rules**

Just when you think you've got everything figured out for yourself, things get turned upside down. Families change. Lives end. New lives begin. And love sneaks up on you when you least expect it. The trick is finding that one person you can always count on, that one person who will throw out the rules and help you figure out how to deal with it all.

Here, from acclaimed author Sarah Dessen, are two books about girls who stick together and manage to get it right -- the two books that served as inspiration for the film *How to Deal*, starring Mandy Moore. Read them, and you'll see where Halley and Scarlett's story began.
