Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science)

The 5th International Conference on Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems (CPAIOR 2008) was held in Paris, France May 20–23, 2008. The purpose of this conference series is to bring together researchers in the fields of constraint programming, artificial intelligence, and operations research to explore ways of solving large-scale, practical optimization problems through integration and hybridization of the fields' different techniques. Through the years, this research community is discovering that the fields have much in common, and there has been tremendous richness in the resulting cross-fertilization of fields. This year, we allowed submissions of both long (15 page) and short (5 page) papers, with short papers either being original work, a reduced version of a long paper, or an extended abstract of work published elsewhere. We were not surprised by the 69 submissions in the long paper category: this is an active field with many researchers. We were surprised by the 61 short paper submissions. This was far more than predicted. With 130 high-quality submissions, competition for acceptance in this year's program was particularly fierce. In the end, we accepted 18 long papers and 22 short papers for presentation and publication in this volume.

From reader reviews:

Phyllis Callahan:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each e-book has different aim or maybe goal; it means that book has different type. Some people sense enjoy to spend their time and energy to read a book. They may be reading whatever they acquire because their hobby will be reading a book. What about the person who don't like studying a book? Sometime, person feel need book whenever they found difficult problem or exercise. Well, probably you will need this Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science).

Spencer Fuentes:

The event that you get from Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) may be the more deep you digging the information that hide within the words the more you get enthusiastic about reading it. It does not mean that this book is hard to recognise but Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) giving you joy feeling of reading. The writer conveys their point in specific way that can be understood through anyone who read the idea because the author of this guide is well-known enough. This specific book also makes your current vocabulary increase well. Making it easy to understand then can go together with you, both in printed or e-book style are available. We propose you for having this Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) instantly.

Renee Chagnon:

The actual book Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) will bring that you the new experience of reading a book. The author style to elucidate the idea is very unique. When you try to find new book to read, this book very appropriate to you. The book Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) is much recommended to you to read. You can also get the e-book from the official web site, so you can more easily to read the book.

Lorraine Vargas:

The book untitled Integration of AI and OR Techniques in Constraint Programming for Combinatorial

Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) is the guide that recommended to you to read. You can see the quality of the e-book content that will be shown to you. The language that publisher use to explained their ideas are easily to understand. The article writer was did a lot of analysis when write the book, therefore the information that they share to your account is absolutely accurate. You also will get the e-book of Integration of AI and OR Techniques in Constraint Programming for Combinatorial Optimization Problems: 5th International Conference, CPAIOR 2008 ... (Lecture Notes in Computer Science) from the publisher to make you more enjoy free time.
