**Organizational Communication: A Critical Approach** Dennis K. Mumby

**Organizational Communication: A Critical Approach** is the first textbook in the field that is written from a critical perspective while providing a comprehensive survey of theory and research in organizational communication. The text familiarizes students with the field of organizational communication?historically, conceptually, and practically?and challenges them to reconsider their common sense understandings of work and organizations, preparing them for participation in 21<sup>st</sup> century organizational settings. Linking theory with practice, Mumby skillfully explores the significant role played by organizations and corporations in constructing our identities. The book thus provides important ways for students to critically reflect on their own relationships to work, consumption, and organizations.
