**Riptide** Douglas Preston, Lincoln Child

IN 1695, a notorious English pirate buried his bounty in a maze of booby-trapped tunnels on an island off the coast of Maine. In three hundred years, no one has breached this cursed and rocky fortress. Now a treasure hunter and his high-tech, million-dollar recovery team embark on the perfect operation to unlock the labyrinth's mysteries. First the computers fail. The then crewmen begin to die. The island has guarded its secrets for centuries, and it isn't letting them go--without a fight.

### From reader reviews:

#### Edward Thompson:

Information is provisions for individuals to get better life, information nowadays can get by anyone with everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is within the former life are hard to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you find the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Riptide as the daily resource information.

#### Angela Yoder:

This Riptide is great publication for you because the content which can be full of information for you who have always deal with world and get to make decision every minute. This book reveal it data accurately using great plan word or we can state no rambling sentences within it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having Riptide in your hand like finding the world in your arm, info in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen second right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. active do you still doubt in which?

#### Marylou Beauregard:

In this period globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The book that recommended for you is Riptide this guide consist a lot of the information on the condition of this world now. This particular book was represented so why is the world has grown up. The words styles that writer require to explain it is easy to understand. The actual writer made some exploration when he makes this book. Honestly, that is why this book acceptable all of you.
