**The Enduring Vision: A History of the American People, Volume I: To 1877** Paul S. Boyer, Clifford E. Clark, Karen Halttunen, Joseph F. Kett, Neal Salisbury

THE ENDURING VISION's engaging narrative integrates political, social, and cultural history within a chronological framework. Known for its focus on the environment and the land, the text is also praised for its innovative coverage of cultural history, public health and medicine, and the West--including Native American history. The eighth edition incorporates new scholarship throughout, and includes a variety of new photos. Based on the popularity of the "Going to the Source" feature, which was introduced in the previous edition, additional "Going to the Source" selections are offered online in the eighth edition.
