The Volatility Course George A. Fontanills, Tom Gentile

It takes a special set of trading skills to thrive in today's intensely volatile markets, where point swings of plus or minus 200 points can occur on a weekly, sometimes daily, basis. *The Volatility Course* arms stock and options traders with those skills. George Fontanills and Tom Gentile provide readers with a deeper understanding of market volatility and the forces that drive it. They develop a comprehensive road map detailing how to identify its ups and downs. And they describe proven strategies and tools for quantifying volatility and confidently developing plans tailored to virtually any given market condition. The companion workbook provides step-by-step exercises to help you master the strategies outlined in *The Volatility Course* before putting them into action in the markets.
