Tucked deep within the rocky mountains of the old west lies a hidden stronghold. Protected by ice and rock among the lands of the warrior nation is the a fortress known as the Acropolis. The men and women that call it home belong to an elite group known as the Holy Order of Man. They are a society as old as civilization itself, devoted to safeguarding mankind from the evils of the dark council and the horrors they bring. With the country destroying itself from within, a young man named Giovanni Varro has been called upon to join in this epic fight. His journey to become a member of the Holy Order will be long and difficult with no guarantee of success.
