Core Concepts of Accounting Cecily A. Raiborn

Raiborn arms accountants with the resources they need to understand key financial and managerial accounting concepts. *Visual Recaps* are provided to illustrate significant topics in a pictorial manner or summarized in a table. Each chapter contains a summary, key terms list, and a variety of questions, exercises, problems, and short cases. *Accounting Information for Decision Making* sections are designed to emphasize a user perspective of accounting information. Accountants will also find discussions of international financial reporting standards (IFRSs) to gain a global perspective.
