How to Prosper in the Global Meltdown: Strategies to Crash-Proof Your Life, Business, and Investments Harry S. Dent

Protect and grow your assets - even in a world turned upside down!

Economic events in Europe, the US, and elsewhere are pushing us into a season of amazing opportunities to make and grow money, increase profits, reinvent businesses, unleash cash flow, and so much more - opportunities any ordinary investor, employee, or business owner can seize to stay insulated in the short term and profit hugely in the long term... if they know about them.

Harry has spent 30 years being right on the economy when just about everyone else has been wrong. In these nine sessions, he addresses and explains every major global and domestic economic issue affecting your personal finances, job, and business *today* - in clear, no-nonsense language (not misinformed, misleading media-speak). You'll get his latest, most up-to-date forecasts and predictions on the issues that are most critical to you now, including the real estate market, stocks, bonds, oil, healthcare, and more. Plus you'll discover:

- The \$66 trillion *bombshell* that's waiting to drop
- The *stunning* transformation that's about to take place in the US
- Which *jobs, businesses* and *banks* are going to survive this meltdown
- The *two other bubbles* no one is mentioning
- Where to buy when the *final crash* pans out
- The coming business revolution, and how to get on the right side of it *now*
- The Dow's *rock-bottom* number, and when it will hit
- Why the investment strategies you're most likely to hear about *won't* work in this winter season
- And so much *more*

Ella Carlson:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this How to Prosper in the Global Meltdown: Strategies to Crash-Proof Your Life, Business, and Investments can make you sense more interested to read.
