Leviticus (Continental Commentary) (Continental Commentaries) Jacob Milgrom

Building upon his life-long work on the Book of Leviticus, Milgrom makes this book accessible to all readers. He demonstrates the logic of Israel's sacrificial system, the ethical dimensions of ancient worship, and the priestly forms of ritual.

"Values are what Leviticus is all about. They pervade every chapter and almost every verse. You may be surprised to read this, since the dominant view of Leviticus is that it consists only of rituals, such as sacrifices and impurities. This, too, is true: Leviticus does discuss rituals. However, underlying the rituals, the careful reader will find an intricate web of values that purports to model how we should relate to God and to each other." — from the Introduction
