Oecd Review of Agricultural Policies: Colombia 2015 Oecd Organisation For Economic Co-Operation And Development

This review assesses the performance of Colombian agriculture over the last two decades, evaluates Colombian agricultural policy reforms and provides recommendations to address key challenges in the future. The evaluation is based on the approach that agriculture policy should be evidence-based and carefully designed and implemented to support productivity, competitiveness and sustainability, while avoiding unnecessary distortions to production decisions and to trade. The report includes a special chapter focusing on agricultural innovation.
