## **The New Bottoming Book** Janet W. Hardy, Dossie Easton

Almost a decade ago, the first `Bottoming Book` taught tens of thousands of people that bottoming - being a submissive, masochist, slave, `boy` or `girl,` or other BDSM recipient - is as much an art as topping. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised `New Bottoming Book` gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular bottom! New sections on dominance/submission play, bridging the gap from on-line to real-time relationships, the four stages of a scene, and more. Plus, Fish`s hot illustrations of bottoms in action, many moving and funny anecdotes, and an extra-large helping of the realistic wisdom for which these authors are known.
