Chase, Ethan & Jackson Silver

The heirs to the billion dollar empire Silver Enterprises are single playboys who work as hard as they play. But when their father gives them each an ultimatum—settle down or lose your inheritance—they each must decide if the family business is worth giving up the single life, while figuring out who is stalking them.

Reluctant to Love...

Chase is reluctant to settle down, especially at his father's insistence. But a weekend with his sexy assistant may turn out to be just the thing he needs.

Jackson, the middle brother and peacemaker is too young for a wife and kids. But that doesn't stop him from lusting after the pretty blond cook working for his father.

Ethan doesn't trust women and he doesn't trust love. He might have to give up his role as CEO of Silver Enterprises if he can't get past his dark past.

This is the story of three handsome billionaire brothers and the women special enough to capture their reluctant hearts.
