Good Books Matter: How to Choose and Use Children's Literature to Help Students Grow as Readers

Shelley Stagg Peterson, Larry Swartz

Based on extensive research on the features that make children's books appealing and appropriate, this valuable teacher resource offers guidance on selecting books, strategies for specific grade levels, suggestions for extension, and tips for assessment. This teacher-friendly book is organized around the major genres -- traditional literature, picture books, nonfiction, poetry, and multicultural texts -- that will inspire young readers. Throughout the book, teachers will find suggestions for using literature to implement shared reading, reading aloud, and response strategies with emergent, developing, and independent readers.

From reader reviews:

William Ullrich:

What do you think about book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has distinct personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great and also important the book Good Books Matter: How to Choose and Use Children's Literature to Help Students Grow as Readers. All type of book is it possible to see on many options. You can look for the internet solutions or other social media.

Jessica Sarmiento:

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everybody has many questions above. They have to answer that question simply because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on kindergarten until university need this kind of Good Books Matter: How to Choose and Use Children's Literature to Help Students Grow as Readers to read.

John Harrison:

Playing with family in a park, coming to see the coastal world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try point that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Good Books Matter: How to Choose and Use Children's Literature to Help Students Grow as Readers, you can enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

Nancy Herman:

Is it you who having spare time and then spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Good Books Matter: How to Choose and Use Children's Literature to Help Students Grow as Readers can be the reply, oh how comes? A fresh book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a geek activity. So what these books have than the others?
