Signing Smart: My First Signs Michelle Anthony, Reyna Lindert

The first interactive board book that introduces children--and their parents--to signing using real ASL signs!

With years of experience teaching parents and babies across the country to sign, Michelle Anthony and Reyna Lindert bring their expertise to these interactive board books.

Each page focuses on one word, showing a photo of an adult to model the sign. Beside it is a photo of a baby making the sign to ease parents' identification of the sign as young hands might make it. Facing these photographs is an illustration of the object, as well as a touch-and-feel!
