St. Agnes' Eve Malachi Stone

Lawyers, drugs, sex and murder. A crank-addicted attorney caught up in multiple drug-fueled extramarital love affairs encounters a series of grisly mutilation killings going back at least two decades. The murderer leaves his signature with every corpse--a holy card bearing the same bloody fingerprint. Police identify the print. Trouble is, it belongs to a teenage girl who hadn't even been born at the time the first murder was committed. Thrill to the mystery and suspense of ST. AGNES' EVE!
