The Collector Nora Roberts

From #1 *New York Times* bestselling author Nora Roberts comes a novel of a woman who needs nothing, a man who sees everything, and the web of deceit, greed, and danger that brings them together—and could tear them apart...

When professional house-sitter Lila Emerson witnesses a murder/suicide from her current apartment-sitting job, life as she knows it takes a dramatic turn. Suddenly, the woman with no permanent ties finds herself almost wishing for one...

Artist Ashton Archer knows his brother isn't capable of violence—against himself or others. He recruits Lila, the only eyewitness, to help him uncover what happened. Chalking up their intense attraction to the heat of the moment, Lila agrees to help Ash in trying to find out who murdered his brother and why. From the penthouses of Manhattan to grand Italian villas, their investigation draws them into a rarified circle where priceless antiques are bought, sold, gambled away, and stolen; where what you possess is who you are; and where what you desire becomes a deadly obsession...

From reader reviews:

Gavin Wilkins:

What do you ponder on book? It is just for students as they are still students or the item for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has distinct personality and hobby for each other. Don't to be pressured someone or something that they don't want do that. You must know how great as well as important the book The Collector. All type of book is it possible to see on many sources. You can look for the internet resources or other social media.

Andre Todd:

What do you concerning book? It is not important along with you? Or just adding material if you want something to explain what the ones you have problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need this specific The Collector to read.

Amos Curley:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even an issue. What people must be consider any time those information which is within the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take The Collector as the daily resource information.

Lester Baker:
