The Sunset Prophecy: A Novel P.J. Day

One fateful evening, Keelen Grant, who spent five trying to make it in Hollywood, finally meets her boss, Thomas Click, an eccentric photographer and gallery owner. The shrewd and mysterious business man offers the struggling actress a choice. . .but one that comes with a heavy price. Unsettled by the photographer's proposition, Keelen reconnects with ex-lover and enigmatic artist, Logan Drake, who promptly offers her work of a different kind. But Logan's intentions for keeping Keelen around go further than just give her a helping hand. Indeed, Logan has big plans for Keelen. . .if only she will accept his offer. Keelen quickly learns her decisions have a ripple effect on reality. A reality where her own past, the city's past, and the history of those she comes in contact with, are much more complicated and far-reaching than she'd ever imagined. With a prophecy of untold disaster threatening to surface, Keelen must choose between two men and two sides.
