--Note: This Guide is for iPad's running OS 5 (the newest version of iPad, which can be downloaded free) The iPad has changed the way people do business, surf the web, and even play games--but are you really getting the most out of it? Unlike many iPad 2 guides that give you a broad overview of how it works, Minute Help takes it to the next level going beyond the basics and showing you things even more advance users might not know. Do you want to know about the best apps for iPad 2? This book has that--and many of them are free! How about how to save on the battery life? It has that too. This guide even includes brief tutorials on how to use Apples latest iPad apps: GarageBand and iMovie--as well as iWork. You will have a hard time finding that in any other guide.
