## **Advanced Literacy Practices: From the Clinic to the Classroom (Literacy Research, Practice and Evaluation)** Evan Ortlieb

'Advanced Literacy Practices: From the Clinic to the Classroom' includes salient information about clinical literacy practices that transfer to other settings. From historical perspectives to cutting edge instructional techniques, this edited text includes elements of designing literacy clinics, models of reading and writing practices, technology-based instruction, and frameworks for meeting the diverse needs of students. As the second volume in the series, Literacy Research, Practice, and Evaluation, notable authors share their perspectives as effective literacy clinic directors of how to enhance the literacy achievement of students. These first-hand accounts are critical as readers glean from their career-long devotion and decades of research, practice, and experimentation. Readers garner rich perspectives on literacy improvement through this research-based practical guide. It provides a current examination of issues and trends in clinical literacy practices appropriate for novice and experienced educators and researchers alike.
