\*Includes pictures of Stanton and important people in her life.

\*Includes Stanton's most colorful quotes on religion, abolition, and women's rights.

\*Includes a Bibliography for further reading.

"The moment we begin to fear the opinions of others and hesitate to tell the truth that is in us, and from motives of policy are silent when we should speak, the divine floods of light and life no longer flow into our souls." – Elizabeth Cady Stanton

A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known.

Elizabeth Cady Stanton is something of an unsung hero in the history of the feminist movement. Though she is still primarily known as an advocate of women's suffrage and is closely linked to the better known Susan B. Anthony, Stanton was shunned by many of her fellow suffragists because her ideas seem too radical and because many were disturbed by her barely Deist view of religion. Over a century after her death, modern feminists tend to overlook Stanton in favor of Anthony, while remembering that Stanton enjoyed taking on the traditional 19th century gender roles of being the mother of a large family and remaining devoted to her husband throughout her life. And while Anthony's comments about abortion are still fiercely debated by pro-life and pro-choice crowds, Stanton held conservative views toward abortion. It's clear that Elizabeth Cady Stanton was very much her own woman, certainly a fitting description that she would not have wanted any other way.

Though she is not as well known or fondly remembered as her closest counterpart, Stanton preceded Anthony as an advocate of women's rights. It was Stanton who issued the Declaration of Sentiments at the first women's rights convention in Seneca Falls, New York in 1848, touching off the organized movement that worked toward suffrage and equality. At the same time, Stanton was an ardent abolitionist, and she focused on progressive issues like custody rights, divorce, women's property rights, employment issues, and even birth control.

American Legends: The Life of Elizabeth Cady Stanton chronicles the amazing life and work of one of America's best known suffragists, examining her ideology and the controversies she generated. Along with pictures, you will learn about Elizabeth Cady Stanton like you never have before, in no time at all.
