Gabriel Slade runs Hollywood with his gorgeous blue eyes and egregious temper. No one knows that underneath it all is a man with a frozen heart, cursed to become a beast at every full moon. For seven days he has no choice but to roam the earth as a vicious animal, until he meets a woman who can change it all.

Luna Grace has a hatred for everything Gabriel Slade stands for, but she doesn't even know what he looks like. When a chance encounter reveals feelings Luna never knew she harboured, it stands to reason that she would run.

Can Luna overcome her hatred and break the curse? Or will Gabriel's temper keep her from realizing her true feelings, dooming him to remain the beast forever?
