Sidney Chambers and the Problem of Evil (Grantchester) James Runcie

Our favorite clerical detective is back with four longer mysteries in which Canon Sidney Chambers attempts to stop a serial killer with a grievance against the clergy; investigates the disappearance of a famous painting after a distracting display of nudity by a French girl in an art gallery; uncovers the fact that an "accidental" drowning on a film shoot may have been something more sinister; and discovers the reasons behind the theft of a baby from a hospital just before Christmas 1963.

In the meantime, Sidney wrestles with the problem of evil, attempts to fulfill the demands of his faithful Labrador, Dickens, and contemplates, as always, the nature of love.
