The Price of Honor

David H. Hackworth

The Price of Honor David H. Hackworth

"Exciting and raw." (*Library Journal*)

"Front-line legend Col. David H. Hackworth proves in this gripping tale that he is as accomplished a storyteller as he is a soldier. With vivid, powerful combat action and a terrific band of brothers in arms, *The Price of Honor* is one of the year's outstanding military thrillers."

(W.E.B. Griffin)

U.S. Army Special Forces Captain Sandy Caine's father had disgraced the family as a coward in Vietnam—at least, that's what he's been told. Now, he's about to uncover the truth about his father—and a legacy of lies built by the most powerful players in Washington.

From reader reviews:

John McKenzie:

A lot of people always spent their free time to vacation as well as go to the outside with them household or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity here is look different you can read a book. It is really fun in your case. If you enjoy the book you read you can spent the entire day to reading a e-book. The book The Price of Honor it is rather good to read. There are a lot of those who recommended this book. They were enjoying reading this book. Should you did not have enough space to bring this book you can buy often the e-book. You can m0ore very easily to read this book through your smart phone. The price is not to fund but this book features high quality.

Sally McGarvey:

The Price of Honor can be one of your starter books that are good idea. All of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to put every word into satisfaction arrangement in writing The Price of Honor yet doesn't forget the main position, giving the reader the hottest and also based confirm resource data that maybe you can be among it. This great information can certainly drawn you into completely new stage of crucial thinking.

Clark Abeyta:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV all day long. You can have new activity to shell out your whole day by studying a book. Ugh, you think reading a book will surely hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Smartphone. Like The Price of Honor which is obtaining the e-book version. So , why not try out this book? Let's notice.

Todd Lyons:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Price of Honor can make you experience more interested to read.
