The Road Less Traveled, 25th Anniversary Edition: A New Psychology of Love, Traditional Values, and Spiritual Growth M. Scott Peck

Perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than *The Road Less Traveled*. With sales of more than 7 million copies in the United States and Canada, and translation into more than 23 languages, it has made publishing history, with more than 10 years on *The New York Times* bestseller list.

Now, with a new introduction by the author, written especially for this 25th anniversary deluxe hardcover edition of the all-time national bestseller in its field, M. Scott Peck explains the ideas that shaped this book and that continue to influence an ever-growing audience of readers.

Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to enable us to explore the nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us determine how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become one's own true self.

Recognizing that -- in the famous opening line of his book -- "Life is difficult" and that the journey to spiritual growth is a long one, Dr. Peck never bullies his readers, but rather gently guides them through the hard and often painful process of change toward a higher level of self-understanding.

Combining profound psychological insight and deep spirituality, this one-of-a-kind hardcover anniversary edition is a book to treasure and turn to again and again for inspiration and understanding. As Phyllis Theroux wrote in *The Washington Post* when the original edition of *The Road Less Traveled* was first published, "It is not just a book but a spontaneous act of generosity."
